

Whitetail Ranch Center

Partners with
Operation Never Forgotten

In January 2019, Operation Never Forgotten (ONF) President & Founder, Linda Kelly, reached out to Julie Tudor, CEO & Co-Founder of Whitetail Ranch Center to explore the benefits of partnering. Whitetail and ONF have shared their visions and experiences to include educational workshops and therapeutic retreats for our Veteran communities and Whitetail residents. Both Whitetail and ONF boards felt a partnership would enhance both organizations.

Moving forward, Whitetail Ranch Center and ONF will continue the ONF TV, airport signage and outdoor billboard PSA awareness campaigns in partnership. The joint effort will extend our reach through a national presence, grow our capacity, expand our network, grow our donor base, seek partnered grant opportunities, and bring celebrity endorsements to all our efforts. Whitetail is excited about this opportunity and welcomes Linda Kelly, after 13 years of managing ONF, to the Whitetail Ranch Center Board of Directors.

As we progress, please watch for announcements via Whitetail Ranch Center's email. Whitetail and ONF are working to renew the extended weekend workshops that ONF has hosted in the past. We will be sharing out upcoming events, retreats, workshops, awareness campaigns, fundraisers and ideas in the near future.

Welcome to the Whitetail Family ~
